To Whom It May Concern.

The CT Green Party appreciates the extension to allow us to complete our delegate/alternate credential applications.

Our delegate and alternate delegate information has been attached.

Also find the minutes of the May 30, 2012 State Central Committee (SCC) meeting of the CT Green Party in which the final selection of delegates and alternate delegates were done.

I have answered the below questions in **bold print**.

2) Please answer question #2 below yes or no

a. Is your state party an accredited member state Green Party of the Green Party of the United States (GPUS)? If not, has your party submitted an application to the Accreditation Committee, which demonstrates its eligibility for membership?
Yes, since at least 2000 if not longer.

b. Is your caucus accredited and eligible for representation on the National Committee of the GPUS? If not, is it planning on doing so before the Presidential Nominating Convention?
Yes.

For questions #3 - #5, please attach either an .rtf or .pdf document and/or web link to the appropriate document in your email response, and a hard copy included in your postal mail response.

3) Please provide copies of all portions of your state's election law, which are relevant to the selection of delegates to a national convention, whether by primary, caucus, or petitions for national candidates. **There are no applicable State laws or regulations.**

4) Please provide the policy of your state party/caucus regarding support for the Presidential Slate nominated at the Presidential Nominating Convention, specifically:

a. Support of the Presidential Slate nominated by the Presidential Nominating

Convention through the provision of its presidential ballot line where it exists; or, through the qualification of such nominated candidates as write-in candidates, if such is possible under the election laws of their state: and/or,

We are currently working on acquiring enough petition signatures to acquire a ballot line for the GPUS presidential candidate.

If we fail to acquire a ballot line through petitioning, then the CT Green Party will address support for a write-in GPUS presidential candidate.

We did support the GPUS presidential candidate as a write-in candidate in 2008 because we did not have a ballot line for president.

b. Support of the Presidential Slate nominated by the Presidential Nominating Convention by its Presidential Convention delegates and/or its Presidential electors; and/or; **Yes**

c. Any prohibition to the opposition of the Presidential Slate nominated by the Presidential Nominating Convention by its Presidential Nominating Convention delegates and/or its Presidential electors and/or Presidential Nominating Convention delegates and/or, **No**

d. Any other policy of the state party regarding its post-convention relationship to the Presidential Slate nominated by the Presidential Nominating Convention; **None.**

e. If there is no current policy on these subjects, the application shall state that the state Green Party has not adopted a policy on these subjects. **This is correct.**

5) Please include a copy of the approved minutes of you state convention or other body authorized to name the delegation, which documents the delegates' selection. If approved minutes are not available, the Application shall include other documentation of the delegates' selection. **See attachment.**

Sincerely,

Barbara A. Barry, secretary of CT Green Party effective April 28, 2012

S. Michael DeRosa, chairman of the CTGP per re-election of April 28, 2012.
