Women in Black DC Weekly Peace Vigil—The awarded UN Millennium Peace group and well-known international peace movement, *Women in Black*, invites you to join them at their Friday weekly peace vigil at Farragut Square (17th and K Streets, NW, Washington, DC, one block away from Mayflower Hotel) from 5:30 PM to 6:30 PM. This week, Women in Black members will be joined by members of Jews for Peace in Palestine and Israel. All Green Party members are invited to attend.

This vigil is particularly important because *Women in Black* is adopting a "new look," displaying enlarged photographs of children who died as a result of violence. There will also be a large picture Rachel Corrie, a US resident who was crushed to death by an Israeli bulldozer as she stood in front of a Palestinian home that was about to be destroyed. These photos, as well as the banner, will be a dramatic statement for peace, and you won't want to miss it.
