GERALD "JAKE" SCHNEIDER

A SHORT BIOGRAPHY OF THE TREASURER OF THE GREEN PARTY OF THE UNITED STATES

I was born in Fond du lac, WI in 1948 and raised on a dairy farm in Northeastern Wisconsin. My education consists of elementary school in Hilbert, WI High school and junior college at St Lawrence Seminary Mt Calvary, WI and a Bachelors Degree in Political Science from Chapman College Orange, CA.

My work experience is mainly as a licensed real estate broker in California (1976-2004) and Wisconsin (1994-2004). I have a successful record in sales of residential real estate for over 25 years consisting of newly constructed and existing attached/detached single-family homes. For the past 7 years I have been presenting new home condominium packages to the general public at the Midwest Real Estate model homes center in Oshkosh, WI. I have owned and operated in the past a nationally franchised real estate brokerage firm The Prudential/Landmark Real Estate Oakland, CA (1987-1991). Other previous financial experience consists of series 7 financial advisor license National Association of Securities Dealers (1984-1990) and real estate loan originator license in California (1993-1994) and Wisconsin (1999-2000).

Previously I served as the state treasurer of the Wisconsin Green Party for many years and have been a member of the Wisconsin Green Party since the Nader/LaDuke campaign of 2000. During the campaign I served as the regional coordinator for the four counties surrounding Lake Winnebago. More recently I was involved in the establishment of the Lake Winnebago Green Party – a local organization consisting of approximately 20 members.

Over the next few years I see the Green party of The United States and a major player in the arena of national political parties. We are the only party that is addressing the agenda of issues, problems and solutions at a local, state, national and inter-

national level in a democratic and value oriented fashion. Our growth as a party in terms of people supporting our causes and candidates is going to pleasantly surprise possibly even overwhelm the most optimistic people within our party today. Thus we build our party - one person at a time.

Having been elected as the treasurer of The Green Party of The United States in Philadelphia, Pa in 2002 I have decided to seek re-election as your treasurer for the next two years.
