

# FORWARD2004!

## GREEN NATIONAL CONVENTION

### TOM SEVIGNY

#### Green Party experience

1. Co-founder of the the Green Party of CT
2. Served on the ASGP/GPUS Steering Committee for five years
3. Ran for State Representative and State Senate on the Green Party ticket
4. Represented the GPUS before the Green Group of the European Union in Brussels and the European Federation of Green Parties in Budapest.
5. Presently serving as co-chair of BRPP

#### Other activist experiences

1. Currently serve as board member of C.A.R.E., a local Smart Growth organization.
2. Currently serve as board member of P.A.C.E., a statewide solar power advocacy group.

#### Personal

1. Married to Jennifer for 15 years, proud father of Abbey (8 years old), Elias (2) and Hannah (9 months).
2. Graduated Phi Beta Kappa from Trinity College with a B.A. in U.S. History.
3. Presently completing my Masters Thesis on the growth of corporations in nineteenth century America.

#### Statement

If elected to the CCC, I would like to continue its impressive outreach to local and state candidates throughout the country. In my opinion, the projects conducted by the CCC over the past year or two are perhaps the most important projects the national party can do to grow the Green Party. I will work to expand these projects, start a field organizing program to help new state green parties with the various aspects of campaigning, and continue to work closely with our new Political Director.

TOM SEVIGNY

2004 COORDINATED CAMPAIGN COMMITTEE CANDIDATE
