

FORWARD2004!

GREEN NATIONAL CONVENTION

Welcome to the Brew City!

We have good reason to hope that FORWARD 2004! will be the Green Party's best national meeting ever. For months, dozens of Milwaukeeans and other Wisconsinites, together with Greens from across the nation, have worked to provide the party with a great convention from which to launch the 2004 campaign. We've made sure that this convention will be not only historic, but also informative, fun, and inspiring. Whether you are a convention registrant, delegate, national committee member, reporter, or candidate, you'll be glad you came to Milwaukee. Thank you for coming!
