Check the one item that best describes your campaign status:

I am running for the Green Party nomination and have made a public announcement to this effect.

I expect to seek the nomination but have not yet made a public announcement.

I am exploring a run, but have not yet decided for sure that I will run.

I am not yet seriously thinking about running for the nomination.

I am definitely *not* going to run for the GPUS nomination in 2020.

If you want to make an additional comment on your status, place it here:

Do you have a campaign website or Facebook page? If so, please give the URL's.

Do you expect to attend the GPUS 2019 Annual National Meeting which will be held July 25-28 in Salem, Massachusetts?

Yes Maybe No

If you attend the Annual National Meeting, would you want to be on a panel of presidential candidates speaking to the meeting?

Yes Maybe No

Check the statement that best fits:

You may put my name on a public list of persons who have some interest in the nomination.

Please keep my response to you confidential.
