

Letter of Interest (Revised 8/7/19)

Dear Candidate,

I am co-chair of the Presidential Campaign Support Committee (PCSC) of the Green Party of the United States. I am writing to you because we have information indicating that you may be interested in running for the 2020 presidential nomination of the Green Party.

Our committee is responsible for maintaining contact with all candidates for the GPUS nomination. We can provide you with advice on how to run for the nomination, including how to acquire delegates who will vote for you at our 2020 Presidential Nominating Convention.

The PCSC is also responsible for a 2020 candidate's questionnaire that we ask all candidates to complete. Responses are published on the Green Party website.

The PCSC also manages the process of awarding *official recognition* to candidates. This helps party members from the Green Party focus on those candidates who are making a serious attempt to acquire delegates.

We have an email list that allows us to communicate helpful information to all candidates running for the nomination.

As a first step toward recognizing your candidacy, we would like for you to fill out and return the Letter of Interest form below. This will place you on our candidate's list and ensure that you will receive timely information from the PCSC.

Good luck with your campaign!

- John Andrews, Co-chair Presidential Campaign Support Committee
